Risk Analysis

Key risks and mitigation strategies

RISK	PROBABILITY	IMPACT	MITIGATION STRATEGY
Market acceptance challenges	Medium	High	Early beta program, pilot customers
Competitive pressure	High	Medium	Differentiate on service, build loyalty
Regulatory changes	Low	High	Legal monitoring, compliance team
Key personnel loss	Medium	Medium	Succession planning, equity incentives
Cash flow constraints	Medium	High	Maintain 6-month runway, credit lines

Remember

A business plan is a living document. Review and update it quarterly as your business evolves and market conditions change. Set calendar reminders for regular plan reviews and adjust projections based on actual performance.
